ABOUT US

We all make mistakes—choices that impact our futures and those around us. With compassion and support, anyone can turn their life around, reunite with their family, and rejoin their community.

The Hinda Institute offers hope for families facing the challenges of the justice system. Often torn apart by financial hardships, emotional distress, and isolation, these families find a nonjudgmental support system with us.

Our mission thrives thanks to people like you.

ESSENTIAL AND UNIQUE ROLE

Dynamic re-entry program assists 350 casework clients and families in rebuilding their lives for good.

Monthly reentry education programs and classes.

Supports family members, spouses, parents, and children: the innocent collateral damage of crime.

We are the Jewish prison chaplains for Illinois. Monthly visits to Federal, State correctional institutions as well as jails throughout Illinois.
